Date: 1/30/17

Group Number: Dec1714

Project Title: AR Monitoring System

Client: Andrew Guillemette

Team Members/Roles:

Arbaaz Khan (Leader), Nipun Dayanath (Communication), Dheeraj Nalluri (Communication), Sam Altier (Key Idea Holder), Patrick Mosebach (Webmaster), Ben Meis (Key Idea Holder)

Weekly Summary:

This past week we met with our advisor, Dr. Johnny Wong, for the first time in order to introduce ourselves and to establish general expectations for the project.

Pending Issues:

None

Individual Contributions:

There was not much for us to do this past week as we have not yet met with our client in order to establish expectations and parameters for the project. Everyone met as a group with the advisor for a preliminary meeting.

Plan for coming week:

Meet with our client, Andrew Guillemette, in order to define what he is expecting from us and to introduce ourselves.

Summary of weekly advisor meeting:

This was our first meeting with our advisor where we went through introductions and established expectations for the project.
